

Fitting Guide and Wash/Care Instructions for WindWalkers Products

● SHEEPSKIN SLIPPERS AND BOOTS

Fitting: A **snug barefoot** fit is best as the fur will pack down inside & they will stretch up to a full size. Just wear bare foot when they are new and again after washing. They will quickly stretch back out!

Washing: You may wash in the washing machine on regular cycle in warm or cold water. For cushioning add dark colored towels or clothes (as they will lose some color). Or wash by hand. For taller beaded styles - pin tassles to inside of shoe to protect them from breaking .

A little Ivory soap, Eucalan Wool Wash or a gentle PH balance shampoo is recommended.

* **DO NOT USE WOOLITE OR A DETERGENT SUCH AS TIDE** *

Rinse well. Air dry out of direct sunlight. You may dry partially with air fluff setting on your dryer to speed up drying time. A water proofing silicone based spray may be applied (heavily around bottom of shoes) to give them some water resistance.

In snow country - brush off salt accumulated from the roads and rinse or wash after your trip.

● ORTHOTIC SPORT SANDALS

Our sandals are made to be worn in any weather, rivers or the sea !

Fitting: The velcro straps will stretch about 1/2" (on the top toe and top ankle). They are sewn with an extra row of stitching so that you may trim the straps down when needed.

Washing: We recommend washing when the sandals are new to bleed out excess dye (see sheepskin washing instructions above). WASH or RINSE well in fresh water ASAP *after ocean use* (salt is drying & hard on leather)

● SANDAL MAINTANENCE

Shoe dyes and leather conditioners may be applied to revitalize faded or stained sandals and to put back the natural moisture when the leather gets dried out.

Velcro replacement must be done periodically. ***WE MUST REPLACE THE VELCRO*** It is a special military strength and shoe repair shops don't have it (or we can mail you the Velcro) !

● RESOLING AND REPAIRS OF ALL OUR PRODUCTS

You can have your WindWalkers resoled at your neighborhood shoe repair shop. Or send them to us for repairs and resoling. Include a note about what you need (with your phone number inside the box) and we will get back to you with a price quote prior to working on them.

● EXCHANGES

If you'd like to exchange your WindWalkers for another size or style, send them to us with \$10.00 for the shipping to send them back to you. PLEASE include a note about what you need with your phone number inside the box, so we can call you with any questions we may have.
